

## Red Shield Appeal still short of goal

Lieutenant William Savage of the Salvation Army at Haliburton informed the Echo this week that the annual local Red Shield Appeal is still short of its objective.

The Salvation Army as we all know does great work, but to continue on doing this they must have money and with inflation it's going to take more money than ever before.

The door-to-door canvass has been very successful, but the local Salvation Army Corp have received very poor response from the appeal letters they sent out in the mail.

Time is running out and the campaign is coming to an end, so we urge all those who have forgotten to send in their money to do so right away. Your money is urgently needed.

same location and a large crowd is expected to be on hand for this gigantic event which this year will feature a Horse Drawing Contest as an added attraction.

## Gigantic map on view

One of the finest and largest sign board maps to be seen anywhere is now for public view at the Minden Country Mall.

This gigantic map which was painted by John Haines, an entertainer at the Paradise Lodge Hotel at Haliburton, gives you a view as seen by an astronaut showing Haliburton County as the centre of the

Universe.

This map with a difference shows all of Ontario and touches on the United States border showing Buffalo and other close United States cities.

The next time you are in Minden take a look and see this extra-ordinary map outside at the Minden County Mall.

## Bill Foote elected president of chamber

A new annual meeting has been scheduled by the Haliburton Highlands Chamber of Commerce for early next Fall after the legality of its regular annual meeting on April 30 was thrown into doubt by lack of a quorum.

At a meeting last week the Chamber's Board of Directors decided to hold the meeting in the Fall when the summer rush is over and more members would feel free to attend.

New President of the Haliburton Highlands Chamber of Commerce is Minden Progress publisher Bill Foote who replaces the Chamber's president for the past 12 months, George Hardy. Mr. Hardy resigned recently for personal reasons.

A former Toronto newspaperman and southwestern Ontario public relations officer, Mr Foote purchased the Minden Progress and moved to the Highlands a little over two years ago. He has been a member of the chamber's Board of Directors for the past year.

In accepting his new position Mr Foote countered recent criticisms of the Chamber of Commerce with the comment that he "had no intention whatever of presiding at its funeral".

Pointing out that there was much to be done in the next four months if the Chamber's image is to be improved and new membership added, he called on the directors to give their full and unstinting support.

## First Annual Community picnic planned

In response to hundreds of requests and suggestions from many people over the past several years, the Rotary Club of Minden intends to sponsor the first Annual Minden Community Picnic on Sunday, June 22, 1975. The basic purpose of the picnic is to revive the old pioneer spirit where families gathered at least once a year to celebrate together. The project has received full support of the Municipal Council.

The day promises to be filled with fun and excitement with entertainment, races, field day events, hay rides, bingo, horseshoe pitching, softball, games, tugs of war and sing-a-longs. A picnic is as good as the people who are there and the hope is to attract all families for a day of fun and enjoyment. While some food concessions will be available, it will be fun to get back to brining your own good old fashioned picnic basket and blanket, enjoying the warm sun with your favourite refreshment.

Everyone in the whole area will be most welcome

and it looks like another fine old tradition will be revived

### Tenth Anniversary

## Stanhope holds Fly-In Saturday

Get ready, get set and go the Tenth Anniversary Fly-In at the Stanhope Airport which will be taking place this coming Sunday, June 1st.

Billed as a Pilot's Fly-In the day promises to have something for everyone and it's one event that you won't want to miss.

An added attraction this year will be the ever popular Horse Drawing Contest which will be held on the grounds and prizes are being offered for different categories of aircraft, spot landing contest, flour bombing etc.

And of course you won't want to miss out on the Beef Barbecue with Neil Foster of "Mr. Fogg's" acting as Chef. It will be served around 12:30 p.m. Sausage on a Bun too, catered by Tom Nunn.

In case of rain the Fly-In will be re-scheduled for

to become an annual event. Watch for more publicity on

this up and coming community event.

Sunday, June 8.

Why not plan now to bring the entire family out for a

day that will be long remembered. It's this Sunday, June 1.

## Fire damages box car

On Thursday evening May 22 at approximately 6:00 p.m. a fire was spotted burning in one of the box cars which was located on the tracks in front of the CNR office and freight shed in Haliburton.

Heavy smoke was coming

out of the box car doors when the Haliburton Fire Department arrived, but they weren't too long extinguishing the blaze. Very little damage was done to the interior of the box car.

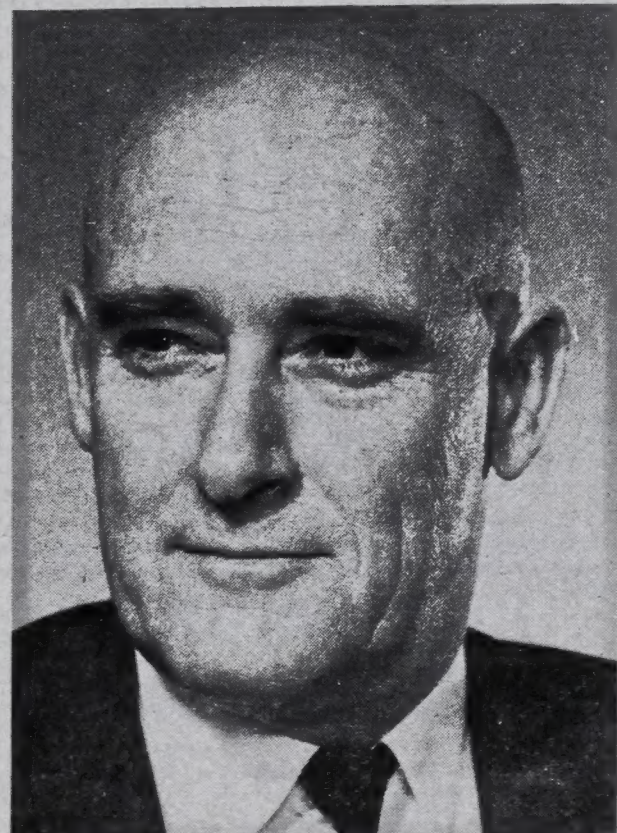

The cause of the fire has not yet been determined.

## Orange church parade

The Haliburton County Orange Church Parade will be held this year in Gooderham this coming Sunday June 1, 1975 at 11 o'clock. Members will assemble at the Orange Hall in Gooderham at 10:30 a.m.

and parade to the Gooderham Pentecostal Church.

Orange, LOBA, Black Knights and Juveniles are welcome to come out and take part in this church parade and church service.

Most children stop at a crossing first before progressing across the road. Unfortunately, even after stopping first, most children then run across, recent studies indicate. Some walk, but start running when they see a car coming. The fact that most stop first indicates that they probably try to act correctly, suggests the Ontario Safety League, but are unable to take in the entire situation and act accordingly.

## Pot luck supper held

On Wednesday May 14 about forty people from the Thursday afternoon Card Gang had their Pot Luck Supper at St. Paul's Parish Hall.

The tables were laden with food and centred by flowers brought by several of the players.

Rev. D. Brown accepted a cheque of \$300 from Lilian Davidson; she reported that there had been 730 people play cards over the Season and thanked all who had helped.

Gifts were presented to

Harry MacMinn high in euchre, Cora Hewitt (absent) high in cribbage, and tokens to Lilian Davidson, Isobel Bingham, Alice Clark, Nellie MacMinn and Jeanne Sears.

This group welcomes all newcomers to come out next Fall to enjoy a game of cards and make new friends, a good way to get acquainted. After the dishes were cleared way all retired upstairs where they played their favourite game of cards.

## Increased vandalism in County

Vandalism is on the uprise here in Haliburton County. If it's not one thing its another.

Over the Victoria Day weekend some person or persons without anything else to do broke in the tourist information booth on Head Lake at Haliburton and literally tore the place apart. They took all of the tourist literature and anything else they could get

their hands on the threw it all around the interior of the building. It was quite a mess.

After a great deal of work and effort by the men who look after the booth everything was finally restored in its right order.

This business of causing vandalism and havoc seems to be a sign of the times and it makes one wonder were it will all end.

## New policy announced

Last week, Ontario's Minister of Housing, the Honourable Donald Irvine, announced a new policy concerning the subdivision of rural land.

There will be two major benefits resulting from this policy:

- \* present controls on the size of rural land severances will be relaxed;

- \* greater protection of our resource lands will be guaranteed.

To illustrate these benefits I'm going to explain the measures to be undertaken through this programme.

The 10 and 25 acre minimum size package for rural land severances has been discontinued. Now, applications will be judged on an individual basis, taking into account the purpose for the subdivision of property.

Consents under this new policy will apply to intra-family sales where the grantee will reside on the lot, lots needed for farm employees, lots required for retiring farmers, and "infilling" in existing hamlets.

The new land severance policy has taken into account the need for local authority to be involved in land subdivision. In view of local conditions, municipalities will be permitted to set their own policies on minimum lot sizes.

The province has urged that all counties, districts or regional areas directed by Land Division Committees adopt an interim land severance policy before November 1, 1975, to guide

the Land Severance Committees.

The Ministry of Housing intends to assist local authorities in drafting interim policies and provide guidelines for protecting what are termed as resource lands - for example, agricultural land, headwater areas and flood plains. The interim policies will then be reviewed by the appropriate ministries and endorsed by the Minister of Housing.

Because of the former 10 and 25 acre minimum size land severance package, much good farm land was wasted. For example, a retiring farmer or family member would buy a lot of this size, build a house on one acre and leave 9 or 24 acres untitled.

I believe the new land subdivision programme is a solid step forward by our government. It allows for second family dwellings to be built and is part of an ongoing effort to preserve valuable resource land in Ontario.

## Former Harcourt man appointed superintendent

The appointment of Edward Ray Townsend, RPF, 49 of Ottawa, as operations superintendent, Algonquin Forestry Authority, has been announced by Dr. V.J. Nordin, RPF, of Toronto, Authority chairman.

Mr. Townsend, a native of Monticello, Ontario, is a graduate in forestry from the University of New Brunswick, and served overseas in the Canadian Army during the Second World War.

Following his graduation from forestry school in 1949, he served in a number of supervisory positions with

the Canadian International Paper Company, at Maniwaki, Que. in the company's forestry operations. He joined Wood-Mosaic (Canada) Limited, Tweed, Ontario, in 1969 as assistant general manager and was responsible for the company's wood procurement and woodland operations and product sales. He served for a short time with G.W. Martin Lumber Company, Harcourt.

MR. Townsend also acted as a consultant to the Ontario Ministry of Natural Resources on the planning of the Algonquin Forestry Authority prior to its establishment in January, 1975.

He and his family will take up residence in Huntsville, after having lived for the last six years in Ottawa.

Mr. Townsend will be responsible under the general manager for: development of integrated logging programs; the production of sawlogs, veneer bolts, poles, pulpwood and other special forest products; the evaluation of grades; distribution of appropriate grades to various mills, and liaison between the Authority and logging companies regarding product quality and prices.

The Algonquin Forestry Authority has been established by the Ontario Government to harvest Crown timber in the two-million-acre Park and adjacent areas.

Timber harvesting will be carried out by Park logging companies under direct Authority supervision, and the companies will be able to harvest timber at their 1974 production levels. The total area on which timber harvesting is carried out each year is about one per cent of the Park's total area.

The AFA's headquarters are located at Huntsville, about 130 miles north of here. The Authority's general manager is I.D. Bird, RPF.

## At Uxpool

# Aquatic workshop held in Uxbridge

On Wednesday, April 23, representatives of the Wilberforce Branch of the Canadian Red Cross Society attended an afternoon and evening session at Uxbridge Ontario.

Ken Sanderson, Pres. of the Branch, his wife Nadeen and Miss Susan Rivers reported an enjoyable and profitable time. The Aquatic workshop was held at Uxpool, possibly one of the finest indoor-swimming pools this side of Toronto and was directed by Miss Sandy Nummo, Regional Coordinator, Water Safety Services of the Ontario Red Cross. Sessions started at 2:30 p.m. with registration and a get acquainted time over coffee and donut. By 3:00 o'clock a good representation, especially from the southern zones was present. Opening remarks and welcome were made by the Mayor of Uxbridge, followed by brief introductions of Mrs Betty Spry, Regional Vice President, Mrs. Donna Stafford - Regional Water Safety Chairperson, Mr Doug Ferguson - Royal Life Saving Society area chairman.

The time was well divided among speakers representing Red Cross, Royal Life Saving and Y.M.C.A. programmes relating to water safety.

In the absence of Mr Don McQuaig, Executive Director, National Council of Y.M.C.A., Miss Sandy Nummo gave a brief outline of the Y.M.C.A. water safety programme.

An interesting slide presentation was made jointly by Miss Victoria Hand and Mr Terry Holmes outlining the summer Aquatic Program in

respect to synchronized swimming. Although this programme is not relevant to our immediate area presently, Haliburton county has many strong swimmers that could with training be a part of these performing teams.

A new film produced by the American Red Cross Society titled (Focus on Ability) was shown by Miss Mary Hurley who spoke on swimming for the Disabled. This is a programme specifically geared to various ways of handling different types of disabilities - with empathies on their abilities rather than disabilities. The achievements of handicapped children and adults under specialized instructors is most remarkable. Water - often the substance responsible for deaths, when properly approached under trained personnel can become a new world providing body movement, self confidence and recreation for many of our handicapped.

A most interesting approach to water safety comparatively new to Red Cross is the Small Craft Safety Program as outlined by Mr Terry Trussler. A pilot program is underway this year at McMaster University with the hopes of training 30 instructors who in the Fall will train further instructors. As the program is designed to instruct all ages in the proper handling of canoes, row boats and small powered boats, we in the Highlands should welcome such a program where this type of craft for recreation and fishing is becoming more plentiful each year. We can not have

too much instruction on water safety - providing we put it into practise.

Dinner was served in cafeteria style at 6 o'clock and provided a time to meet other members and speakers. At 7 o'clock a guest speaker Mr Keven Wray, Public Relations Chairman for Whitby Red Cross Branch centred his topic on Water Safety and the Red Cross. The theme was ways of making communities more aware of water safety programmes to fit specific needs. An interesting point brought out is that 66% of the world is covered by water. He stressed that a public relations programme is most vital in any organization. Short group discussions took place and reports were analyzed.

Mr Ken Bunner, Water Safety Area Supervisor (Uxbridge) gave a short address on hopes and aspirations for the area. Mr.

Dave Ferguson, Manager, Uxpool and Uxbridge Red Cross Water Safety Chairman summed up the evening by stating that the personal of Uxpool were pleased to have the Red Cross Aquatic programme held there and spoke in words of praise for the successful programme.

It was encouraging to learn that the three major organizations involved in water safety programmes are now working together to eliminate an over-lapping of programs in areas to reduce costs and provide a better service to all. The fact that speakers from each of these organizations were present is a good indication of working in harmony to make good things happen.

We who were able to attend did so on our own expense but wish to share with you a portion of the day.

Remember - June is water safety month.

## Re-broadcast transmitter will serve Haliburton

The Canadian Radio and Television Commission announced today that Central Ontario Television Limited of Kitchener has been granted a broadcasting licence to operate a re-broadcast television transmitter near Dwight, Ontario, to serve the Huntsville/Muskoka - Haliburton-Parry Sound districts of Ontario.

Commenting on the boards approval, W.D. McGregor, President of Central Ontario Television Limited, said that the licence is for use of Channel 11 on the VHF spectrum. Better viewer service was cited by Mr. McGregor as being the main reason for making the application. The Muskoka-Haliburton-Parry Sound districts are now served by CKCO-TV on Channel 2 from a transmitter site near the Bruce Peninsula, just north of Wiarton, Ontario.

According to Mr. McGregor, some sections of the Muskoka, Haliburton, Parry Sound districts have not been able to receive a high quality signal on Channel 2. As a result, it was decided that application would be made to service this area from a transmitter site near Dwight, Ontario.

Currently, CKCO-TV serves much of Western Ontario from a transmitter site near Baden, Ontario, on

Channel 13, as well as serving the Georgian Bay region on Channel 2, and is a member of the CTV network.

CKCO-TV has been operating a separate Georgian Bay news service on a full time basis for the past 3½ years and that this service will also be extended to the new coverage area. There will be no studio facilities located at Dwight.

Current plans are aimed at having Channel 11 on the air in the fall of this year.

## Deep concern for law

This week we would like to congratulate the Haliburton County Social Planning Council on its efforts and deep concern arising from the increasing lawlessness in Canada.

Following the seminar - Is This The Law? held at the Legion Hall in Haliburton on March 12 the Social Planning Council decided to send a letter to the Attorney General, Minister of Justice and local members of parliament regarding their concern over this problem and that serious consideration be given to the accompanying brief.

A further motion was made - moved by Jim Bush, seconded by Norm Truchan that an additional letter go to these same people dealing with the problem in a more specific way and stating - "Out of our deep concern about the rise in crime and violence, we move that you take into consideration our following suggestions:

(1) We ask that serious consideration be given to the suggestions that when a murder or attempted murder has been committed and the offender found guilty, that party be sentenced to natural life, only to be parolled if and when a Board, including psychiatrists, affirm that he is no longer a danger to society (not just criminally insane) even if he were to be under the influence of alcohol and drugs.

(2) When a person is arrested and convicted of any crime (especially indicating violence or potential violence) and under investigation by a competent Board, including psychiatrists, the party is found to be psychotic or dangerous to society, even if when under drugs or alcohol, he be kept in a psychiatric prison hospital and detained and helped there without time limit, even beyond his court sentence, only to be released at such time that a Board including psychiatrists has declared him not dangerous to society even under drugs or alcohol.

(3) That our police forces be strengthened and the number of judges increased that protection to life and property be greater and justice swifter.

(4) When amending the bail reform act that careful consideration be given to ensure the protection of society especially from known habitual offenders, even if the offence is in another court's jurisdiction.

(5) We also urge citizens to give all assistance to their police to prevent crime and insure justice.

## Outstanding airport

The citizens of Haliburton County should feel mighty proud that we have an outstanding airport in the area. We are talking of the Haliburton Highlands Stanhope Airport at Maple Lake.

This airport is centrally located which means that you can land your aircraft here and travel all over the highlands by car and return to take off again for wherever your destination may be.

Citizens from all parts of this county have told us that putting this airport at Maple Lake was a very progressive move and one that serves a very much needed service in the area.

In speaking to the Rotary Club of Haliburton recently Wren Blair, president of One 2 One Corporation who are building a Year Round Recreational and Resort Complex near Haliburton was asked the question if they planned to build an airstrip in connection with this new project. His answer was no. He went on to say that we already have an excellent airport at Maple Lake and that everyone in the county should support it. He went on to say that planes could land at the Stanhope Airport and people who would be staying at their new Motor Hotel could be brought in by bus or taxi. We share in the same opinion as Mr Blair in that we have an excellent airport in Stanhope and one that we should all support.

## It's the time of our lives

What better theme for Senior Citizens Week? The Ministry of Community and Social Services has again declared June 15 - 21 to be Senior Citizens Week in Ontario. The theme chosen by the very people being honoured tells us that "time" need not be burdensome but can be filled with activity, learning and leisure - all those things one dreams of during a working career.

At Hyland Crest, the hub of activity for Seniors in Haliburton County, is again celebrating with and for our pioneers and endeavouring to make the "week" one of meaning to them as well as to those of us who

will be the Seniors in the years to come.

The one event in which all Seniors can participate is the annual dinner for the "Over 70's" held at Hyland Crest. All those eligible with their spouse and/or escort are invited to attend at 5:30 p.m. on Tuesday, June 17th when friends will meet friends and renew acquaintances of years gone by. Following dinner a short program of interest to all will bring to a close an evening of fellowship for all who come.

Be sure to let us know by FRIDAY, JUNE 13th if you are coming and a place will be reserved for you.

## Letter to the editor

Dear Editor:

Could we, through the use of valuable space in your paper, let the people of Tory Hill, Harcourt and Wilberforce know what has become of the contributions they made for World Vision kits for starving and destitute people. Donations were made by churches, Girl Guides, Brownies and many interested individuals.

A group of ladies in Wilberforce has gathered the articles together and sewn up the kits. To date we have sent in 1 pyjama kit, 25 School kits, 29 hygienic kits, 30 sewing kits, 70 refugee kits, 157 food kits for a total of 312 kits.

The following letter was received from World Vision:

Dear Friends:

I am writing to express my very real personal appreciation and also that of World Vision for the wonderful concern of your group in preparing such a large quantity of kits for overseas distribution.

In these days when it is so easy to be preoccupied with our own interests, it is refreshing to know a group that is dedicated to filling the emptiness that exists in the lives of others. Your gift of kits demonstrates a very practical compassion and love for those whose

anguish is hard for us to imagine.

The time and effort expended is more than amply repaid by the enthusiasm and gratitude with which these kits are received overseas. "Love demonstrated is irresistible," and the kit program has not only alleviated pressing physical needs, but has warmed sad, broken hearts and introduced thousands to the love of a God Who cares.

Our special certificate which you will receive expresses our sincere thanks and deep gratitude. Above all, God will not forget what you have done and we know that heaven's blessing rests on your efforts.

Thank you in His Name.

Sincerely,  
William J. Newell  
Executive Director

We are most grateful for all the contributions and will continue to make up the kits as long as we receive donations. Anyone wishing to help with this Christian project please telephone Camerons - 448-2824 or Bains 448-2345 at Wilberforce.

Thanking you, sir, for publishing this letter.

Sincerely  
Friends of World Vision  
[Sylvia Cameron]

## The Reeve's Corner

By Reg Booth

we are inserting a little special this week, in order to bring information of importance to the residents of the Provisional County of Haliburton.

On Monday, May 26 the County had the honour of a visit from the Hon. John Rhodes, Provincial Minister of Transportation and Communications, or of more interest to you and I, the Minister of Highways.

Mr Rhodes was welcomed at the Stanhope Airport by S.G. Nesbitt, J. Harrison, M. Fearrey, L. Coneybeare, M. McGillivray, M. Peters, D. Russell, R. Fotheringham, P. Conaghan, L. Walker, R. Booth, and D. Pritchard. Also present was L. Perrott and R. Bishop, Sr., from the Economic Development Commission and G. Crosby, Acting County Engineer.

The above group proceeded to the corner of Highway 121 and 35 at the north of Minden to inspect and discuss the grade on 121 and the corner at the intersection. The group was joined here by R. Glen Hodgson, MPP, who proceeded on the balance of the tour.

Mr Fearrey and Mr. Conaghan left the group at this time to pursue personal business, and the group continued by bus to inspect Highway 121 through Haliburton to Tory Hill and on to Gooderham. Mr. Fotheringham left the group at Gooderham and the group then inspected the roads to Harcourt, the new County garage, and then the dangerous and narrow sections of the Elephant Lake Road. Following an interesting tour of Martin's Mill the group returned to Minden.

The minister was most receptive to our needs and no doubt Haliburton County will benefit greatly from this County effort. The minister and our MPP are to be congratulated, together with those of county council who saw fit to spend a day in the interests of the

county.

Mr Agnew was unable to be with us because of a hospital appointment.

Mr J. Harrison stayed at Stanhope and made his station wagon available to assist the pilots, and to assist the minister from place to place. Mrs. L. Watson and Mrs. J. Harrison looked after the coffee bar very efficiently to the pleasure of all. The Township of Stanhope, and the airport committee deserve a lot of credit. Mr. Tom Nunn and Mr. Derick Rolfe were available both morning and afternoon to assist at the airport. Our country certainly needs more of these dedicated people who donate so much time to these community efforts.

## Pic of the past

The above post card was purchased around 1930 by Mrs. Eva Stark who at that time was building one of the first cottages on Canning Lake at Scott's Dam in the Finnish Village. It shows what the main street of Haliburton

looked like at that time. Thanks to Harry Stark of 137 Douglas Dr. Toronto for submitting this photo.

MAYBE I COULD  
CHANGE HISTORY

## BILL SMILEY

Time to catch up on some correspondence. From the sublime to the ridiculous.

Letter from old friend George Cadogan, of the North Shore Leader, Newcastle, N.B.

"Dear Bill: Are you going to the (newspaper) convention in Toronto July 24-27? I have a room at the Sheraton, but Elda won't be going; you could use the other bed. Perhaps you know the Americans will be there, and we expect about 2,000 delegates. Speakers will include Pierre Trudeau, Nelson Rockefeller, and Father McLaughlin, the priest who is a speech writer for Richard Nixon."

Well, thanks, George. It would have been sublime. The Sheraton is a luxury hotel. In other words they charge too much. But I certainly wouldn't have minded seeing some of the old weekly editors' gang, or what's left of it. And I'd have rather enjoyed knocking around with Flower Boy, Rocky and the good Father.

Alas, 'twas not to be. Thanks to our magnificent postal service, I received your letter about Aug. 4th.

And my, my, what a lot of changes have taken place since that convention.

Pierre, after a sally into the streets where the common people are, is safely back in his ivory tower, or crystal palace, scoffing at any suggestions that he do something about inflation.

Nelson Rockefeller is now Vice-President of the United States. And I hope Father McLaughlin hung onto a parish. For he sure is out of a job as a speech writer for you-know-who.

That I didn't make that convention fills me with a deep sense of frustration. If I'd been able to get even one of that illustrious trio alone for a moment, I might have been able to change the whole course of history. Providing I had a club in my hand.

Well, thanks again, George. (George Cadogan is a modern Don Quixote who is idealistic and afraid of nothing. At present he is galloping, lance at the full tilt, against a monstrous windmill, K.C. Irving, who practically owns the Maritimes.) And give my love to Elda and the kids and the grandkids. Hang in there and slug it out with old K.C.

It seems the New Brunswickers are after me this year. Just the other day I got a phone call, on a Saturday morning, from Gordon Fairgrievs, publisher of the Hartland (N.B.)

Observer. I didn't even snarl at him, though it was 9 a.m. our time, and I'm not the best of company at that hour on a Saturday morning, my day to sleep in.

He soft-talked me, that man. It took me a couple of minutes to realize it, as I was still groggy from watching the late, late show. I have an orgy every Friday night, because I don't have to work on Saturday. It's a compensation thing from my childhood, when my mother called up the theatre manager and told him not to let me in to the Wednesday afternoon matinee, because I was not only skipping school to go, but swiping a dime out of her purse for admission. I was about ten.

Anyway, Gordon gets the year's award for sweet-talk and persistence. He invited me, and my wife, and any kids who were around, to come down to Hartland for the Remembrance Day weekend. It sounded pretty nice, the way he put it.

As an after thought, he just happened to mention they'd like me to speak at the Legion dinner. As a carrot for the donkey, he tossed off the fact that I'd be in distinguished company. One of their speakers in the past had been Milton Gregg, V.C., former Minister

of Veterans' Affairs. Crafty devil. Gordon, that is, not Milton.

He extolled the beauty of the Maritimes in November, the fact that our bedroom at his house would have a TV set, and various other allurements.

I was tempted. That's why I called him a devil. A pleasant weekend in the Maritimes. A change from the dull schedule. New people, new faces, travel. I didn't say no. Said I'd let him know. The wife you know don't know what she has planned. (She was in bed and not in the mood for consultation, with her broken ribs.)

I was tempted, and I stand before you, brethren and sistern, and I admit it. I put out a few feelers, while the old lady was asleep. Called the travel agency. Yes, I could just make it to Fredericton and back on the weekend, without losing a day's pay. And if everything ran on time.

It would only cost me about three hundred bucks, if I took my wife. And only six or eight hours to write a speech. Not bad. And free room and board down there. Oh, yes, I was tempted.

And the good Gordon didn't leave a stone unturned. Same night there

was a telegram, phoned from Toronto, backing up the phone call. Three days later a letter: "It will be a pleasant break for you all . . . you will enjoy yourselves in our small town of 1,000 people . . . obtain enough copy for ten columns . . . find out what New Brunswick is like . . . and also what one of the smallest Legion branches in the province does on Nov. 11th."

Well, if it does what most of the other branches do, after the parade to the cenotaph, I've already been there, Gord.

Finally, I faced the Old Battleaxe, laid out the project. "Don't be ridiculous", she said. "Don't you remember that we're having a family reunion at Grandad's that weekend?" I didn't.

Sorry, Gord. Sorry, chaps. But I'm still tempted. The Last Post in Hartland would be something. The last post at Grandad's is the last post in the fence.

Looking back over this column, I wonder which is the sublime and which is the ridiculous: a bunch of politicians spouting platitudes at the convention, or me sprinting to N.B. to spout some fun to the Hartland Legion?

## Four hit shows planned

## Road show company returns

In the summer of 1975 the Road Show Theatre Company returns to the Muskoka and Kawartha Lakes Districts with a season of four hit shows to delight audiences at six locations from Haliburton to Parry Sound.

The Road Show will play Mondays at the Haliburton Highlands Secondary School Wednesdays at the Windermere United Church in Windermere, Thursdays at the Peninsula Community Hall in Minett and Saturdays at the Parry Sound District High School.

The company will also perform at Milford Manor and Bangor Lodge in performances open to lodge guests only.

In its Summer Season 1975 an expanded company of talented performers will present: the outstanding

musical **Stop the World, I Want to Get Off** made famous in both London and New York by Anthony Newley, the renowned family musical **You're a Good Man Charlie Brown** based on the Peanuts cartoons of Charles M. Schultz, and a stylish adult review entitled **Feiffer's People** by the satirical cartoonist Jules Feiffer.

Audiences in Parry Sound and Haliburton will also have the opportunity of seeing America's longest running musical **The Fantasticks**, a perennial Off-Broadway favourite.

Posters and brochures available at many local merchants show detailed performance schedules. General admission will be \$3.00 for adults and \$1.50 for students. Tickets are

available at the door at all four locations. Tickets for performances in Haliburton and Parry Sound are also available in advance at the following locations:

**PARRY SOUND:** The Book Worm Shoppe, 56 James St.

The Parry Sound Camera Centre, in the shopping mall.

**HALIBURTON:** Inquire at The Haliburton School of Fine Art, 457-1680 for locations.

A Season's Set of four tickets may be purchased in Haliburton or Parry Sound for \$10.00.

The Road Show Theatre Company is putting together another summer of exciting summer time entertainment and looks forward to being a part of everyone's holiday enjoyment.

PAT CLARKE

## Pat Clark to speak in churches

Mrs Pat Clarke, renowned convention speaker will be speaking at St. Georges 11 a.m. Service and St. Andrews 7:00 p.m. Service on Sunday, June 1.

Mrs Clarke, although handicapped leads an extremely active life. She has just returned from a

speaking tour in Bermuda and New York.

She is a mother of three and is married to Andy Clarke, director and manager of Lyndhurst Hospital.

She is a founding member and is on the executive of "Women Alive" a team member of "Faith at Work",

and is also active in the Ashrum Movement.

Mrs Clarke will also be speaking at 8:30 p.m. on Monday June 2nd in St. George's Parish Hall. She will tell her own exciting and personal story of how the Lord dramatically changed her life. All are Welcome. Lunch will be served.

## Speaker addresses Gideons

The highlight of the regular May meeting of Lindsay Gideon Camp was an excellent address by Robert Cale of Islington who told of his work with the

inmates of Mimico penal institution. Many of these men have not only been rehabilitated but have become Christians. One of these men was present and

gave a fine testimony.

Chaplain Elmer Evans conducted the devotional part of the meeting.

Secretary Ben Dalby read the minutes of the last meeting and treasurer Max Aldous read the financial report.

Memorial Bible Representative Eldon Smith read his report.

As this was the annual meeting the following officers were elected for the ensuing year:

President, Stewart McElrea; Vice President, Cecil Roberts; Secretary, Terry Wicks; Treasurer, Max Aldous; Chaplain, Frank Rogers; Church Services Chairmen, Elmer Evans, Ben Dalby; Memorial Bible Report, Eldon Smith; Scripture Distribution, Elmer Evans; Membership Committee Chairman, Stan Kennedy; Publicity, F.A. Reeds.

The meeting was held at the home of Mr and Mrs Ben Dalby of Fenelon Falls.

The June meeting will be a supper meeting on June 16 at Miner's Bay Lodge. It will be a joint meeting of Lindsay and Haliburton Camps.

## Soyers Lake ratepayers hold annual meeting

The Annual Spring Meeting of the Soyers Lake Ratepayers Association was held on Sunday, May 18th, 1975 at Lakeview Lodge on Soyers Lake. About 30 property owners were represented and elected the following officers for 1975:

President, W. Lewis McCorrison.

Treasurer, Mrs. L. Campbell.

Secretary, Mrs. A. N. Harris.

Chairman of Pollution Control Committee, W. Ross Partridge.

Representatives to H.H.P.

O.C., Mr. Jack Ogg and Mr Howard Jackman.

The new president exhibited preliminary engineering plans for the elimination of a dangerous curve and steep hill on the Soyers Lake Road immediately north of Kee-waydin Road.

Action on this project by the Minden Township Council is expected this year.

Other matters discussed at the meeting included fish stocking of lake; water sampling and pollution control program; marking of rocks and shoals around lake; erection of signs at narrows to limit speed of power boats; removal of beaver dam at Hwy. 121 bridge; and recent rezoning applications. The new executive was assured of enthusiastic support by those present for all undertakings.

## Tenders

The Ministry of Transportation and Communications has announced that tenders are to be called for the contract noted below:

Contract No. 75-22 Grading, Drainage, Granular Base and Paving on Highway #7.

From 0.7 Miles East of Omeme West Limits West-erly 4.9 Miles.

Port Hope District, M.T.C. W.P. No's 903-67-02 & 03.

Tenders were advertised by the Ministry of Culture and Recreation on May 20th and 21st, 1975 for the supply and installation of three (3) sewage holding tanks at the Ontario Leadership Camp, Bark Lake, Ontario. The estimated completion date is July 15th, 1975.

Tenders were advertised for the Ministry of Natural Resources on May 26th and 28th, 1975, to replace sanitary sewer and water lines at the Leslie M. Frost Memorial Resource Centre, Dorset, Ontario. The estimated completion date is July 31st, 1975.

## Forest fires consume 985 acres

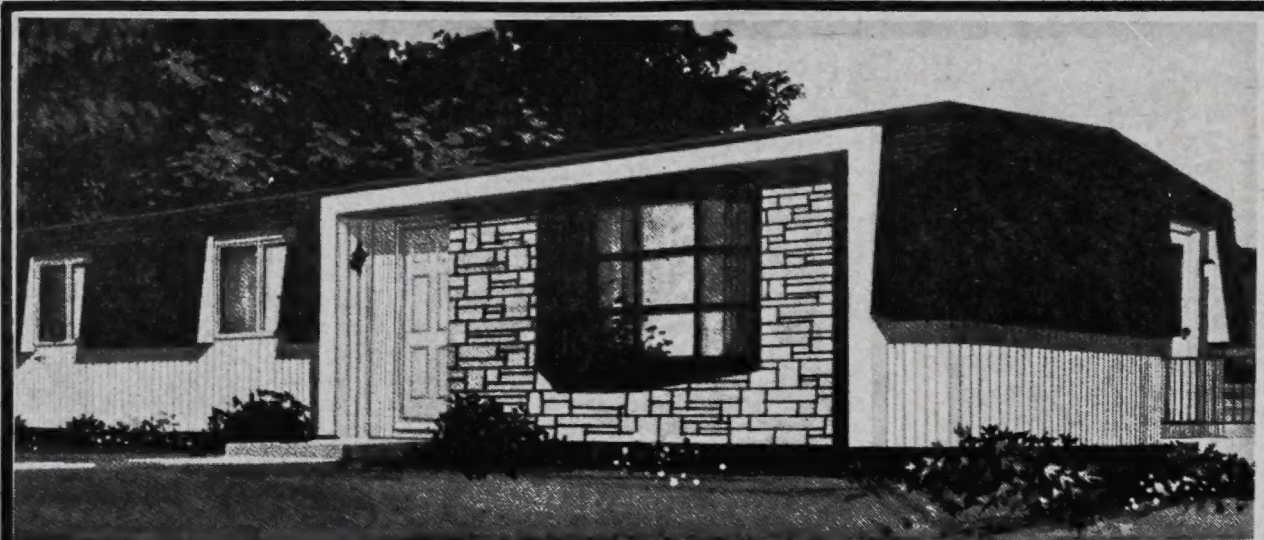

Effective May 15th the six districts comprising Algonquin Region had experienced 142 forest fires consuming 985 acres. This represents an increase over last season of 100 per cent in the number of fires burning 18 per cent more acreage. Algonquin Region includes the districts of Parry Sound, Bracebridge, Minden, Bancroft, Algonquin Park and

Pembroke.

Due to the late departure of ice and snow this year, the usual rash of Spring fires was delayed two to three weeks. As in other years, the major cause of fires to date has been careless burning by local residents.

Fire Danger Ratings in the first half of May reached "High" and "Extreme" ratings due to a prolonged

drought lasting almost two weeks. Since fire permits have been cancelled until significant amounts of rainfall are received, residents and cottagers are cautioned to consult the nearest office of the Ministry of Natural Resources, or a local fire warden preparatory to any burning. Extreme caution with cigarettes in wooded areas is also advised.

# Highlands Strings Trio give concert

The Highland Strings Trio, a federally financed Opportunities for Youth Project, has been giving informal concerts and lively instrumental demonstrations in the schools, community centres and churches of Victoria and Haliburton counties since May 6 and continuing until June 13.

The Trio, composed of Jean Langley, violin; her sister, Janet, viola; and Alexandra Stapells, cello; has already given 15 school performances in the Lindsay-Bobcaygeon area.

At present they are here in Haliburton and Minden, before going on next week to Norland, Fenelon Falls, Cobocok, Kirkfield, Cameron, Kinmount, Dorset and Huntsville.

All three girls are former members of the National Youth Orchestra of Canada. Alexandra, aged 19, and Janet, 20, study music at the University of Toronto. Jean, 18, also plays flute, clarinet and bassoon. She is a mathematics student at Queen's University. They present a varied, interesting program of classical, folk, pop and country music. In Haliburton and Minden they have already played for over 1100 enthusiastic elementary and secondary students. Their schedule has included also Lakeview School, the Hyland Crest Senior Citizens' Home, evening concerts at St. George's Anglican Church here and United Church, Minden, as well as the morning service at St. Paul's Church, Minden this past Sunday.

On Saturday, June 7th the girls will return to Haliburton for the Masonic Ladies Night, and on June 8 will take part in the morning service at St. George's Anglican Church here.

## Carnarvon news

Congratulations to Mr and Mrs Bob McBrien whose children gave them a party on their 25th wedding anniversary. A large number turned out to wish them many more years of happily married life.

Our deepest sympathy is extended to Mr. Hal Burton and his family on the death of Hal's mother.

The Bert Harrisons were visited on the weekend by Mr and Mrs Randy Harrison and family of Bradford, also Mr Verne and Martin Harrison of Peterborough.

Congratulations to Mr and Mrs Garwood Tomas a little brother for Debbie and Donna.

Mrs Irene Minaker's daughter Gwen and her family were at Mrs. Minaker's for the weekend.

The Francis Thomas's had Mr and Mrs Wilmot Francis and daughter from Toronto, also Mr and Mrs Lavern Thomas from Peterborough for over the holiday.

Mr Carl Doey's sister and brother-in-law, Mr and Mrs Gaume, also Mrs Doey's sister and brother in law Mr and Mrs Mallory from Blenheim were holiday visitors at the Doey's.

Miss Patricia Gorrie graduated from McArthur College at Queens University in Kingston and got her B.A.Ed. Tish got her B.A. from Guelph University last year. Mr and Mrs Robert Gorrie and Wendy, also Mrs Stutt were down for the graduation.

We were all sorry to see Mrs Clayton Rogers leave our vicinity, but she is comfortably settled in with her son and daughter in law at Maple Lake. She will be pleased to see any of her friends in her new home.

Mr and Mrs Garth Windsor and boys from Belleville visited with the Maurice Windsors on the holiday.

Mrs Muriel Hewitt was here on Sunday and she is getting along fine after her accident of a broken hip, she expects to be here for the summer in a few weeks.

We had many visitors and cottagers on the weekend at Zion Church, which was filled to capacity, and coffee and doughnuts were served

after the service, we feel this is a good way for the cottagers to get acquainted with each other and they really enjoy this hour of fellowship together.

A bowling party was held at Medley's on Tuesday evening by the U.C.W. of Zion Church for those who bowl, and bridge and other games were had in the C.E. Bldg. We all thank the Medley's for the use of their alleys.

# Report from Grand Jury

To: His Honour, Judge H.E. Richardson.

## MAY IT PLEASE YOUR HONOUR:

We, the Grand Jury, empanelled for the General Sessions of the Peace for the County of Victoria, held at Lindsay commencing the 12th day of May 1975, report that we have inspected the following Public Buildings, and submit the following observations and recommendations:

### COUNTY COURT HOUSE Lindsay

We are in agreement with previous Grand Jurys that the facilities and accommodations are inadequate.

Only for the Administrators, could this building have any function.

We recommend that these facilities be replaced as soon as possible.

### REGISTRY OFFICE Lindsay

Working conditions are very cramped.

Heating is inadequate in winter.

There is too much condensation throughout the building.

The building is too damp for storing important papers.

### Washrooms ar odorous. COUNTY LIBRARY Lindsay

The building structure is not strong enough to support the weight of the books.

The building should be replaced, or the library be relocated.

### PROVINCIAL JAIL Lindsay

No prisoners were detained unnecessarily.

The building was in good condition; well-maintained and sanitary.

**VICTORIA COUNTY ANNEX [new] Lindsay**  
We found this building clean and well-kept, except for poor ventilation. Air-conditioning is needed.

**ROSS MEMORIAL HOSPITAL Lindsay**  
**VICTORIA MANOR [Home for Aged] Lindsay**  
**ONTARIO GOVERNMENT BUILDING Lindsay**  
**ONTARIO PROVINCIAL POLICE Lindsay**  
**KAWARTHA LAKES SCHOOL Lindsay**  
**HALIBURTON COUNTY BUILDING Minden**

All of the above-listed buildings were found to be quite satisfactory; very well-maintained and managed.

**HYLAND CREST SENIOR CITIZENS HOME Minden**  
The condition of the building was considered very satisfactory and well-maintained.

We compliment the Administrator of the Home for the construction of the Centennial Fountain which was accomplished by him and the grounds staff on their own time.

### REGISTRY OFFICE Minden

The Office needs a parking area desperately.

The foregoing is respectfully submitted, this 20th day of May, 1975.

# TOWNSHIP OF SNOWDON FINANCIAL STATEMENTS

DECEMBER 31, 1974

## AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Snowdon.

We have examined the 1974 financial statements of the Corporation of the Township of Snowdon. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Snowdon as at December 31, 1974 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

## WHY NEW RULES ARE NEEDED

The number of people using the Park Interior each year (65,000 last year) has doubled in the last five years. These new regulations will have as their sole aim the preservation of those qualities which studies have shown to be most sought after by the great majority of people using the interior. The regulations explicitly recognize that canoes and motor boats do not mix and that campsites and park values will be destroyed by over-use.

All the regulations were decided upon after being recommended to the government by an Advisory Committee representing all major public interest groups.

## WHEN THE NEW RULES GO INTO EFFECT

It is apparent that many of these new regulations represent a significant departure from past practices. Therefore, during the 1975 season the primary emphasis will be on a program of information and education. It is intended that many of these new regulations will come into effect in 1976.

The Ministry of Natural Resources seeks your co-operation in recognizing these changes and thereby helping to preserve Algonquin's reputation as a world famous recreational wilderness.

## WHAT THE NEW RULES ARE

In the fall of 1974 the Master Plan for Algonquin Provincial Park was tabled in the Ontario Legislature.

In the plan are included several new policies directly affecting users of the Interior of Algonquin Park. The most important of these are as follows:

**1. Access point quotas:** Maximum daily quotas will be placed on the number of canoes and other watercraft which may enter the interior under the authority of an interior camping permit. Quotas will operate on a "first-come, first-served" basis from Friday through Sunday on the Victoria Day weekend in May, and from the last Friday in June through the first Sunday in September.

The daily quotas for each access point are listed below:

| West Side          |     |
|--------------------|-----|
| Kawawaymog (Round) |     |
| Lake               | 30  |
| Tim River          | 5   |
| Magnetawan Lake    | 15  |
| Rain Lake          | 15  |
| South Side         |     |
| Hollow River       | 5   |
| Kingscote Lake     | 10  |
| Hay Lake           | 10  |
| Whitney            | 10  |
| Shall Lake         | 50  |
| Aylen Lake         | 5   |
| Basin Lake Road    | 10  |
| Highway 60 Region  |     |
| Oxtongue River     | 10  |
| Canoe Lake         | 125 |
| Smoke Lake         | 40  |
| Source Lake        | 15  |
| Canisbay Lake      | 5   |
| Cache Lake         | 25  |
| Rock Lake          | 40  |
| Sunday Creek       | 5   |
| Opeongo Lake       | 180 |

Pinetree Lake 5  
Highland Hiking Trail 50  
(Overnight hikers starting per day)

**East Side**  
Sec Lake 10  
Grand Lake - Lake Traverse Road 75

**North Side**  
Big Bissett Lake 5  
Wendigo Lake 15  
North River 5  
Brent 40  
Brain Lake 10  
Kiosk 25

**2. Size of Party**  
The number of people permitted to camp at one campsite in the Park Interior will be limited to 9 individuals. Larger groups may travel and eat together but they will have to break up to camp. Beginning in 1975, work will begin on precise designation of interior campsites by the installation of metal fire grills, i.e. one grill will designate one campsite.

**3. Motor Boats**  
Motor Boats will not be permitted on most Algonquin Lakes. Motors of 10 horsepower or less may be used on the following lakes: Cauchon, Cauliflower, Grand, Joe, Traverse, Little Joe, Manitou, North Tea, Radiant, Rain, Tepee. Motors of unlimited horsepower may be used on the following lakes: Bonita, Cache, Canoe, Cedar, Gale, Kingscote, Kioshkowi, Two Rivers, Little Cauchon, Opeongo, Rock, Smoke, Source, Tanamookoon, Tea, and Whitefish.

**4. Caching of Motor Boats and Canoes**

Canoes may not be left unattended anywhere in Algonquin except by written authority from the Park Superintendent. Similarly, motor boats may not be left unattended except on Opeongo Lake at the Happy Isle, Proulx, Redrock and Wright Lake portages. All motor boats and canoes must be removed from the Park at the completion of each trip.

**5. Mechanically Assisted Transport**

All overland transportation of watercraft by mechanical means will be prohibited. This includes wheels, rollers, carts, and

other similar devices.

**6. Interior length of stay**  
Tents are not to be left unattended for more than 48 hours. Interior camping is limited to 28 days in a year and 16 consecutive days on a site.

On the heavily used lakes listed below, you may camp for one night only, Friday through Sunday of the Victoria Day weekend in May, and beginning the last Friday in June through the first Sunday in September: Baby Joe, Burnt Island, Fawn, Faya, Little Doe, Little Otterslide, Joe, Opeongo, (South Arm only, including islands in narrows leading to North Arm), Otterslide, Provoking, Tanamookoon, Tepee and Tom Thomson.

Lakes where camping is not permitted at all (except at organized campgrounds) are indicated on the 1974 canoe-route map.

**7. Fishing**

In the core areas of primitive zones and in watershed natural zones the trout possession limit is one lake trout or two brook trout.

**8. Can and Bottle Ban**  
The ban on cans and

bottles in the Park Interior has been deferred until the Government decides upon an overall provincial policy.

In the meantime, we cannot emphasize too strongly the damage caused to Algonquin by cans and bottles discarded in the Park Interior. Not only do they disfigure the environment sought by most park users but the clean-up bill accounts for a major portion of the over \$100,000 which you pay to maintain the Interior each year.

Please do your part by eliminating cans and bottles from your trip supplies, or at the very least, by packing them out with when they are empty.

If you wish more information about Algonquin's new Master Plan, you may obtain a complete master plan for \$2.00 or the condensed "Highlights" for free, at the Park Museum, the Information Centre at Cache Lake, or by writing to: Algonquin Park Superintendent

# Report from Parliament

By William C Scott, MP

It is becoming increasingly clear that Secretary of State Hugh Faulkner blundered badly when he proposed in the House of Commons that the Income Tax Act be amended to removed the alleged tax advantages enjoyed by the Canadian editions of Time and Reader's Digest.

The mail, telephone calls and personal responses that I have received on the subject have been running almost one hundred per cent against Faulkner's proposal, and in favour of leaving the two magazines in their present position with respect to other Canadian publications. All other members with whom I have spoken on the matter tell me that their mail is overwhelmingly against the Faulkner proposal.

One of the strongest attacks against Faulkner's plan comes from one of his own colleagues in the House, Mrs. Simma Holt, Liberal member of Parliament for the riding of Vancouver-Kingsway. A former journalist, Mrs. Holt is familiar with the relationship between Time and Reader's Digest, and other Canadian magazines.

Mrs Holt said in a letter circulated to all members of the House that only three of literally hundreds of letters she has received from constituents on the subject favour Faulkner's

proposal. She said that the action would "abrogate the right of advertisers, in our free-enterprise system, to select the media through which to advertise."

She added that those who compare these magazines with Playboy, Newsweek and all other American publications are forgetting that those other magazines have never offered to set up Canadian offices, nor have they made any effort to provide Canadian news or to provide jobs for Canadians.

The facts in the Time-Reader's Digest case are quite different from the case that Faulkner has made for his proposal. As Mrs. Holt says in her letter, the Secretary of State seems to be responding to that small but vocal group of supranationalists, based mainly in Toronto, and who are basically anti-American.

Reader's Digest has been published in Canada since 1943, and has been an excellent corporate citizen of our country. It hires about 500 Canadians on a full-time basis, and 1,000 other Canadians depend directly or indirectly on Reader's Digest for their incomes. Its annual payroll is about 5.5 million dollars, and it spends an additional \$700,000 for fringe benefits for its employees, and employees receive about \$600,000 a year in profit-sharing benefits.

Five of the six directors of Reader's Digest are Canadians, and all of its officers are Canadians. In addition to staff members, the company employees more than 80 freelance Canadian writers, editors and artists in its special editions and book operations.

It has never been demonstrated that either Time or Reader's Digest have been other than good corporate citizens, or that they represent unfair competition for other Canadian magazines, such as McLennans, Saturday Night, Chate-laine, or any others.

Nor has it been demonstrated that the removal of Time and Reader's Digest will mean that advertisers will rush to place advertisements in other Canadian magazines. They have to opportunity to do that now, and I personally believe that this advertising revenue will simply be lost to us, along with the jobs being provided by Time and Reader's Digest.

If and when the Faulkner bill comes before the House, I will have no other course than to speak against it in the very strongest terms, and to vote against it. He would do better to simply recognize his mistake, and withdraw the bill.

# News from Maple Lake

It is hard for us to imagine the aftermath of a war as devastating as the one in Indochina. Children who have lived their childhood hiding in caves from bombs are now learning to adjust to

a more routine existence.

Money is urgently needed to buy artificial limbs for many of these children. Other medical supplies, food and clothing have been requested by women's

groups in Vietnam. Ladies in the Maple Lake area, in response to this need, have organized a sewing project for children in Vietnam. The first box containing twenty little shirts and ten

pair of small trousers, knitted squares for a cot blanket and a box of used eyeglasses has been mailed to Vancouver-based Canadian Aid to Vietnam Civilians to be sent to Vietnam.

Eleanor Gilligan, Mrs. Allore, Norma Sisson, Muriel Robb and Judy Shafir have been sewing children's clothing.

Gail Adams, Faye Robichaud, Debra Toye, Judy Phillips, Lolly Pettigrew, Odile Kulczycki, Doreen Milne and Heather Sweet have been meeting at Diane Brown's to sew on Wednesday mornings.

Anyone who would like to join them is welcome.

Andrea Kulwartian is kindly babysitting so bring your pre-schoolers along.

If you can't sew, come and cut patterns (Vietnamese-style).

If you have material or wool to donate or if you can sew or knit at home, or if you need a ride over on Wednesday's, call Gail Adamas, 754-2280.

## Sir Sanford College news

Hazard awareness was emphasized in a 16-week safety course at Sir Sanford Fleming College for which 20 construction engineering technician and civil engineering technology students received certificates from the Construction Safety Association of Ontario.

Instructor Fritz Heilingbrunner said that it is only through an awareness of hazardous situations in the construction industry that

accidents can be prevented.

The course included a thorough study of the construction safety act, safe methods of lifting, trenching, crane handling, and rigging and hoisting. A ten-minute test followed each of the 16 classes and a final examination was held before students received their certificates.

Civil engineering technology students receiving certificates were: Cliff Blank, Wilno; Herman

# Reap some benefits from all the cheques you write.

If you write ten or more cheques a month, consider a Commerce Key Account.

Because at 16¢ each, ten cheques already cost you \$1.60. That's for the cheques you write, period.

But an extra 90¢ makes it a whole different story.

With a Commerce Key Account you can get a preferred rate on most consumer loans, (and that's a nice thing to remember). You can get this summer's travellers' cheques for no extra service charge.

You'll have an identification card which allows you to cash a personal cheque, up to \$100, at any of our 1600 Commerce branches in Canada.

And that's not all. There is no service charge when you use 24-Hour Cash Dispensers, you'll get special cheques, money orders, domestic drafts, and a whole raft of other services.

All for a flat \$2.50 a month. Or, in your case, maybe 90¢ more than you are paying now for cheques alone.

But hold on. We don't think everybody should get a Commerce Key Account. If you're not writing ten or more cheques you could be wasting your money.

And that's exactly what a Commerce Key Account doesn't want you to do.

## THE ABSENTEE

The phrase "doubting Thomas" is well known by many people and perhaps that is all they know about the Apostle who was not easily convinced by mere hearsay. He wanted first hand evidence before he could believe that the Risen Lord Jesus was actually seen by his very best friends.

There is not a great deal of history given us in the Scriptures about the life and ministry of the Apostle Thomas but what is given is very interesting and noteworthy. We seem to have so much in common with him. He is not alone when it comes to discrediting the witness of the other ten Apostles, as many do not believe even what the Lord Jesus and a great cloud of witnesses have told us. The "Good News" of salvation in Christ is twisted and turned and disbelieved by a host of followers of religion and professors of Christianity.

However, Thomas, who was a doubter concerning the truth about the Lord who he knew before His death and resurrection, gave to the world the "highest witness" as to who that Lord really is. When asked by the Lord Himself to put his theory of not believing "except I shall see in His hands the print of the nails and thrust my hands into His side" into practise, he was convinced beyond a shadow of a doubt without doing so. The verbal testimony Thomas gave upon seeing, has no equal on record. Anyone who can with Thomas exclaim "My Lord and my God" has found the true Jesus who alone can save us from our sins. Jehovah God can only be known through Jesus Christ and we know Jesus aright only when we know Him as the Son of God and God the Son.

Thoms is mentioned four times in connection with the other ten Apostles. Matthew 10:3, Mark 3:18, Luke 6:15, John 21:2. He also appears on the scene three times as a speaker or actor. John 11:16, 14:3-8, 20:24-19. Thomas was of Jewish descent and believe the Old Testament promises that foretold the coming of the Messiah. he firmly believed that Jesus was that Messiah and therefore he became a

devout follower of that newcomer who was stirring the countryside. To do so made Thomas a marked man. Opposition was already strong and it took courage to take the step of following the unwanted Jesus.

In fact it is a great step for anyone to decide to become a disciple of Christ even today. It means a revolution of life habits, conduct and associations. When Thomas came to Christ as a believer in Him it did not matter that he was a little slow in understanding. Jesus accepted him gladly with all his limitations, as He accepts every sinner that comes to Him for salvation. John 6:37. The Lord is never surprised at the things we may do. He knows us better than we know ourselves. He simply takes us as we are and begins in us that good work which shall be completed in the day of Christ. Phillipians 1:6, Jude 1:24.

The first time Thomas shows some real disciple qualities was when Jesus proposed to go into Judea again. John 11:7-16. This was a dangerous decision to make as Thomas saw it, for it was here only a short time ago that the life of Jesus was threatened. The words that came from the lips of Thomas at this proposal, showed that he did not really understand the words of Jesus, but he decided to go with Him even if it meant death for him also. Higher patriotism for the cause of Christ is found nowhere. He was prepared to die if need be. John 11:16.

In the upper room conversation of John 14 we find Thomas again a little slow in taking in what Jesus was telling them, but we forever owe him a debt of gratitude for his question as to how to know the way unto the Father. The wonderful answer Jesus gave to him has settled the doubts of many a seeking soul. No planer words could be given. When Jesus proclaimed that "He was the Way, the Truth and the Life, and that no man cometh unto the Father but by Me" true salvation becomes very exclusive. There just is no other way. John 14:6.

The absence of Thomas at the evening meeting of the other ten, that first day of

the Lord's Ressurrection, again shows some of the dullness and discouragement of the missing one. However, slowness of speech or of thought can become one of the strongest testimonies for the Lord as the true light begins to shine into that mind and truth is grasped. John 20:24-29. The amazing testimony that flowed from the lips of the enlightened Thomas has no equal. Jesus highly commends him for what he now

understood to be the truth as to who Jesus really is and He calls upon one and all to believe the same, even without seeing Him, as Thomas proclaimed undeniable truth. Such truth will stand in the days of tomorrow, as truth will always be truth. John 20:29-31.

# News from Halls Lake

Ideal weather for the holiday weekend made it a successful one for business and cleaning up and fun. So nice to see all the familiar cottagers returning to their favourite cottage sites.

Miss Marjorie Johnson recently entertained at dinner Mr and Mrs Pete Sawyer and also her sister, Althea Gartshore.

Mrs Edith Alford of London spent the long weekend with Miss M. Johnson and Mr and Mrs Graham Alford and children opened their cottage for the Season.

The MacDonalds enjoyed having their daughter, her husband and young Jonathan home for the holiday. They live in Burlington.

The Stanhope Firemen's Ball on Saturday evening at Medley's was a huge success with a sell-out crowd, good music, prizes and a delicious buffet luncheon at Midnight. Almost all the firemen and council members were present as well as visitors and local people. It was a great party and each lady received a corsage on the way in. The Committee is to be complimented on running such a well organized evening.

The 10th Annual Fly-In for Stanhope Airport is being planned for Sunday June 1st, or in case of rain on June 8th. See all the notices and posters for events as this is always a popular effort on behalf of the Airport Committee.

Mr and Mrs Frank Ferris recently spent a few days in Montreal and when they returned they had a visit from old neighbours, Mr and

Mrs Lancaster.

A good number were out to church at St. Stephen's on Sunday and the Rev. Douglas Brown has been taking the new Summer Student Minister around to show him the area.

A canoe overturned in the Lake on Sunday evening and the occupants had to act quickly. They later retrieved their fishing rods, wallets and glasses by using scuba equipment.

Mr and Mrs. Archie Neil, their son Larry and his girlfriend spent the weekend at their cottage on Kushog Lake and all attended the Firemen's Ball Saturday evening.

went swimming, but admitted the water was still much too cold to call it enjoyable.

Everyone is anticipating the big change in the road to Minden when the construction crew moves in May 26 to put the new surface on.

Mrs Hazel Welch has departed for another visit with her cousin in Kirkfield. The Imeson's and Lindsay Anderson visited with the McGuire's and Mrs Welch this weekend. The Andersons are the McGuire's family and now live in Georgetown.

Nice to see Ronnie Briscoe again. He was our paper boy back in 1948 and now he is a married man with a lovely little daughter. He was surprised that we remembered him, but who can forget a pleasant voice and a happy smile?

Mr Roy Anderson recently spent some time in Toronto and while there a few of his old friends happened to be on hand so

they had a happy reunion and talked over old times.

Fishing is beginning to be good at least for some persistent anglers. It was nice to see the pictures and the write-up in Saturday's Star of our old minister, the Rev. Thomas Gracie, at his cottage on Hawk Lake. It was written by the Rev. Tom Harpur who spends some time visiting at the Gracie's cottage.

Mr and Mrs Win Sims,

Debbie and Mike spent the weekend at their place here on Hall's Lake.

Congratulations to Mr. John Westman Millar upon his marriage last week to Mrs. Lillian Staples Brennan. Mrs Brennan lost her husband last year and Mr Millar lost his wife and these two old friends have decided to spend their lives together which we think is a happy decision. Best Wishes to the happy couple!

### In Memoriam

**MAUGHAN** - In loving memory of a dear father, William, who passed away May 29, 1972.

When family ties are broken, And loved ones have to part It leaves a wound that never heals

And also a broken heart. So many things have happened Since you were called away So many things to share with you Had you been left to stay. You never failed to do your best

Your heart was warm and tender You lived your life for those you loved And those you loved remember. Sadly missed by daughter Margaret and son-in-law Walker.

**SAWYER** - In loving memory of our dear mother and grandmother, Ida Rosetta Sawyer, who passed away May 29, 1973.

We never lose the ones we love For memory keeps them near Time dims the loss and lets the love Shine bright and sweet and clear.

Sadly missed and fondly remembered by her son Fred, wife Gloria and grandchildren Jim and Debbie.

**COWAN** - In loving memory of our daughter Valerie who left us so suddenly by accident, May 23, 1971.

If all the world was ours to give, We'd give it, yes and more. To see the face of our dear girl, Come smiling through the door.

Sadly missed and lovingly remembered Mom and Dad.

### In Memoriam

**COWAN** - In loving memory of our sister Valerie who was taken from us May 23, 1971.

Four years have passed dear Valerie Since you were called away And when the family gathers

We have often heard them say If only she was here with us It's a shame she had to go She was so young and pretty

And we all loved her so But our love could not save her on that fatal day For what the Lord has given He has the right to take away.

Always remembered by sister Kendra, brothers Jim and David and sister-in-law Sandy.

**FADER** - In loving memory of a husband and father, Verle Fader who passed away May 29, 1968.

He is gone, but not forgotten, And, as dawns another year, In our lonely hours of thinking, Thoughts of him are always near.

Days of sadness still comes o'er us Friends may think the wound is healed But they little know the sorrow, That lies within the heart concealed.

Ever remembered by his wife Winnie and family.
